U.S. Environmental Protection Agency
Region 9
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Blumenfeld:

Enclosed are revisions to the California State Implementation Plan (SIP). These revisions consist of adopted, amended and repealed rules, listed in Enclosure A, from the following air pollution control and air quality management districts (districts).

Imperial County Air Pollution Control District
San Diego Air Pollution Control District
Tehama County Air Pollution Control District
Ventura County Air Pollution Control District
Yolo-Solano Air Quality Management District

Also enclosed is Air Resources Board Executive Order S-15-007 adopting the districts' rules as revisions to the SIP. To meet the U.S. Environmental Protection Agency criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the districts. One compact disc and one paper copy, each containing the revisions in their entirety, are enclosed.

If you have any questions, please have your staff contact Ms. Karen Magliano, Chief, Air Quality Planning and Science Division, at (916) 322-5350 or by email at Karen.Magliano@arb.ca.gov.

Sincerely,

Richard W. Corey
Executive Officer
